INDEPENDENT FAMILY FUNERAL SERVICES

### UNATTENDED DIRECT CREMATION

This service is the most basic option we provide and therefore reflected in the cost. The families who choose this service usually do so if it was the request of the deceased person, if they are planning a memorial service/ceremony at later date, or if financially it is better suited to the funds available. This is a restricted service where the location, date and time of the cremation is chosen by us and **does not** include viewing in the chapel of rest, provision of a limousine, mourners' attendance and use of the chapel or any form of ceremony at the crematorium.

**This basic service includes:**

- Removal of deceased **in ordinary working hours\***.
- Care of the deceased\*\* until the day of the funeral.
- A coffin of our choice.
- Suitable vehicle and necessary staff for conveyance of coffin **directly** to a local crematorium of **our** choice.
- Crematorium fee for cremation.
- Doctor's certificates for cremation (when required).
- Arrangements interview and all administration involved and necessary staff attendance.
- A simple container for cremated remains, collection of cremated remains from the crematorium back to our office for collection within 2 weeks.

**Total cost of our direct cremation service** **£2200.00**

*\*If removal of the deceased is required out of ordinary working hours a supplement of £135.00 will be charged.*

*\*\* In house removal of implanted devices (such as pacemakers) by a member of R. A. Brooks & Son staff is not included in the direct cremation service and a supplement of £30.00 will be chargeable. The deactivation and removal of defibrillating pacemakers are not included – Price on application.*

**We kindly request that payment is made in full ahead of the direct cremation.**

INDEPENDENT FAMILY FUNERAL SERVICES

Disbursements are in addition to our professional fees. Disbursements are fees which we pay to other third parties on your behalf. They are highly variable and often include items such as the crematorium, cemetery, minister’s fee, doctors fee for cremation certificates, newspapers notices, flowers etc.

*The following fees are that of third parties and not within our control. All prices were correct at the time of printing (April 2024) and we will endeavour to keep these as up to date as possible. Any changes occurring after printing will be confirmed at the time of enquiry.*

On some occasions we may request payment of some or all the disbursements prior to the funeral taking place.
